June 2020

Dear Parent / Carer

Please be aware that due to an increase in charges from Manchester Fayre, the price of a school meal will be going up by 5p to **£2.30 per day**, with effect from the start of next term.

As from **17th July 2020** our old website will be taken down and paypal payments will no longer be accepted. Any payments **after** this date will need to be paid via the new website at

www.mauldethprimary.co.uk.

It is simple to do this:-

- Log onto the website and select "payments" to begin shopping
- When your items have been selected you can view your basket and proceed to checkout
- When you have gone through the checkout process you will see a confirmation and receive an email with your order details and receipt number
- Please note parents/carers who have more than one child in school can switch accounts without losing their basket which means they only have to do one order

We have had to delay using the new system whilst we resolve the issue of transaction fees.. As the system is set up at the moment, parents would pay these. School is going to pick up this cost and setting this up is the reason for the delay. We hope that you find the payment system on the new site easy to navigate and if you have any problems please get in touch.

Yours sincerely,

A Kilcoyne
Headteacher
